Becker Vacuum Pumps and Blowers

R.E. Morrison® is the Canadian Master Distributor of Becker vacuum pumps and compressors. Offering industry leading performance, Becker pumps add speed to any manufacturing or packaging line.

We stock, ship, and service all Becker vacuum pumps and compressors right from our Mississauga, Ontario head office.

Adamark™ Air Knife Drying Systems

Adamark Air Knife Drying Systems remove the water and debris from bottles, cans, packaged food products, trays, automotive parts and conveyors.

Adamark drying systems are designed as custom bolt-on modifications or as complete conveyORIZED units.

Watch our demo videos online at www.adamarkairknife.com

Blower Systems

R.E. Morrison's centrifugal and regenerative blowers are available as part of our Adamark air knife drying systems and as stand-alone upgrades for your existing vacuum or pressure blowers.

- **Compact**
- **Efficient**
- **Affordable**

Industrial Filtration

R.E. Morrison features a full inventory of factory-original filters from Mann, Mass-Vac and Soldberg, alongside our own line of custom REM Industrial Filtration Systems.

With thousands of filters in stock, ready to ship, we are your filter source.
